

Procedure for use of Millennium Green.

Any organisation or individual wishing to use the facility is subject to application and permission being granted.

Applications must be sent to the Clerk to the Council at least 14 days prior to the event taking place.

The reason why there is a specified time to view the documents, is to ensure that an event can go ahead as planned for the benefit of the organisation or individual.

The insurance policy in the application must name the Parish Council and the land to be used, to ensure the Health and Safety of anyone using the Millennium Green.

The Millennium Green is only to be used for community events, not for any business purpose.

Any activity where an individual or group gains financial reward at the expense of the Parish Council is not permissible.
