

Your enquiry relates to a service or issue that is dealt with by Leeds City Council and does not fall under our remit. You can contact Leeds City Council by calling 0113 222 4444 or via their website: [www.leeds.gov.uk](http://www.leeds.gov.uk)

Their website is very large with many useful tools for reporting issues on, so we find it helpful to carry out an internet search (using google or another search engine) for the service required e.g. report a pothole to Leeds City Council or Leeds City Council registrar service. This is usually the quickest way to navigate the website.
