## Dog Waste Dispenser

At the June meeting agreed to get quotations for two replacement dog waste bag dispensers.

The price is for each unit, and there is also a pricing for one post.

What has not been included are prices for the attachment to each post.

The website lists

Dog Bag Dispenser GBP 94.80 incl VAT or 79.00

Installation brackets GBP 20.16 incl VAT or 16.80

Tamtorque clamp 70-100mm GBP 8.34 incl VAT or 6.95

Tamtorque screwdriver/bit tool GBP4.74 incl VAT or 3.95

Total per unit therefore is GBP 102.75 plus VAT.

We may need an additional pole depending upon location.

- I was thinking that the original request could use the pole on Ellerker Lane where a dog waste bin is already attached.

Regards  
Alistair

## THORNER PARISH COUNCIL

### ACTION PLAN 2024

<u>Item</u>	<u>Action Required/Comments</u>	<u>Action Date</u>	<u>Participants</u>	<u>Action taken/ Date Completed</u>
Repair of bench on Milner Lane	New steps required. Ward Cllr Sam Firth informed and pictures sent.	January	Councillor Scott to arrange with Ward Councillor Firth	There is no funding available for this work
Introduce communications via Social Media	Communications training arranged via YLCA	January	Councillor Wilson	Social media courses undertaken January
Work to be carried out on Ramsey's Fold	A plan of work to be provided for the following 1.Bench provision. 2.Cut back trees 3.Hedging along fence 4.Tree removal 5.Land clearance 6 Path works	February	Councillors Llewellyn/ Mycock/Scott	1.Bench provision agreed November 2023, ordered and received. 2. and 3. As part of quote received for £140. Quotes rec'd for 4.£1500 5.£2500 6 £2500 were not accepted.  A price of approx £100 would be accepted for 4. Alternative quotes to be sought for 5. and 6. Subject to funding being available.
Tree for Millennium Green	Following removal of Cherry tree a replacement is required.	March – <b>Referred to October.</b>	Clerk to request information for circulation to Councillors	Quote received from Strom Tree Care to consider. Further information required and received for different species that are smaller with less spread.

Biodiversity	Agree policies and objectives to meet its Biodiversity objectives	April	A delivery of soil has been arranged via the Arium for the new planters.	(see Ramsey's Fold above).  Planters to be provided with flowers.
Tree for area of land on Kirkhills at end of Millennium Green footpath	Following clearance work on green area of land.	May. Referred to October.	TBA	
Christmas Lights 'switch on'.	Arrange a formal evening event.	September	TBA Liaise with Over 60's Bungalow Management	

**THORNER PARISH COUNCIL**  
**VOLUNTEER POLICY**

# THORNER PARISH COUNCIL VOLUNTEER POLICY

## Introduction

This policy sets out the principles for any voluntary involvement authorised under the auspices of Thorner Parish Council.

Volunteers may participate through community groups or direct from the community/residents of Thorner. The Thorner Parish Council acknowledges that volunteers contribute in many ways, bringing benefit to the Council, local communities and the volunteers themselves.

This policy seeks to protect and support volunteers working on its behalf and sets down the Parish Council's responsibilities which comply with its insurance obligations.

## Volunteer Activity

1. Volunteers must inform the Clerk to the Parish Council by email [thornerparishcouncil@gmail.com](mailto:thornerparishcouncil@gmail.com) of work they wish to carry out prior to starting any work. This will be presented to the Parish Council for approval via an agenda item at its next meeting for it to be approved and the relevant Councillors appointed to oversee the work.
2. A risk assessment must be completed by the group or individuals participating. In order to identify any risks which may be faced and how they can be managed.  
The Parish Council should receive a copy of the risk assessment ahead of any work undertaken.  
The risk assessment should include as a minimum:
  - Details of the Work or Activity.
  - The existing competency of volunteers.
  - The circumstances of the work (e.g. the degree of supervision required).
  - The tools and equipment being used.
  - The training requirements. The training standard must be sufficient to ensure the Health & Safety of volunteers and any others who might be affected by the work being carried out.
  - See Appendix 1 for an example risk assessment form.
3. Volunteers will be given a named person as point of contact before any work is carried out to discuss progress and any concerns raised. The named contact may need to carry out a visual inspection before any work is carried out

Volunteers will be expected to comply with existing policy and procedures as set out within Thorner Parish Council Website.

Volunteers must be adequately trained to be able to carry out the role or activity they are undertaking sufficiently to ensure their health and safety. Responsibility for this rest with the individual to whom authority has been given by Thorner Parish Council to undertake the work agreed, taking into account findings within the completed risk assessment.

## **Insurance Cover**

For Thorner Parish Council to provide the insurance cover to comply with the current Parish Council Insurance requirements, the Risk Assessment (Appendix 1) and volunteer registration and consent form (Appendix 2), must be completed and submitted. Work will then fall under the auspices of the Parish Council and be covered by Public Liability Insurance.

## **Data Protection**

Personal information recorded about volunteers is stored and maintained in accordance with our Data Protection Policy, a copy of which can be found on the Thorner Parish Council [website](#).

All volunteers agree to allow their photographs, motion pictures, and voice media taken during the volunteer activity to be used in Thorner Parish Council publications, public relations broadcasts and in digital media unless the council is otherwise notified in advance.

# Volunteer Activities – Example Risk Assessment Form

Activity undertaken:

Conducted by:

Date:

Risk	What could happen?	Who is at risk?	Risk Rating 1-5	Severity Rating 1-5	Action needed
1. Slips, trips, falls	An individual could slip, trip or fall during activities causing injury	Volunteers, councillors			Safe working briefings before activity commences. Sensible clothing, boots, shoes. Site assessment - avoidance of dangerous sites. Working in pairs. First aid kit made available Emergency numbers and procedure. Named contact person.
2. Strains and muscular injury	An individual could suffer strains and muscular injury while undertaking tasks.	Volunteers, councillors			Safe working briefings before activity commences. Volunteer fitness declaration. First aid kit made available Emergency numbers and procedure. Named contact person.
3. Cuts and bruises	An individual could suffer cuts and bruises while undertaking tasks.	Volunteers, councillors			Safe working briefings before activity commences. First aid kit made available Emergency numbers and procedure. Named contact person.
4. Serious injury caused by unsafe operation of machinery	An individual could suffer serious injury.	Volunteers, councillors			Safe working briefings before activity. Annual machinery inspection and maintenance. Machinery operated by approved individuals. Licenses, certification and training for operatives. Supervision during operation – exclusions zones, etc. First aid kit made available. Emergency numbers and procedure. Named contact person.

<b>Risk</b>	<b>What could happen?</b>	<b>Who is at risk?</b>	<b>Risk Rating 1-5</b>	<b>Severity Rating 1-5</b>	<b>Action needed</b>
5. Contact with hazardous materials	An individual might be affected by hazardous materials, chemicals or biohazards (viral and bacterial).	Volunteers, councillors			Safe working briefings before activity commences. Protective clothing – gloves, masks, litter pickers and bags. Site assessment - avoidance of dangerous sites. Visual inspection by named person if required. Volunteer briefing – Responsibility of the individual to whom authority has been given to carry out the work. Working in pairs. First aid kit made available. Emergency numbers and procedure. Named contact person.
6. Loss of property	An individual could lose property or items may be stolen	Volunteers, councillors			Safe working briefings before activity. Safe storage of valuables.
7. Road accidents	An individual may be involved in a collision with a vehicle	Volunteers, councillors			Safe working briefings before activity responsibility lies with the individual who has been given authority to carry out the work. No working alongside A and B Roads without necessary road signage and barriers approved by the Highway Authority. Named person may need to carry out visual inspections before work is carried out.
8. Damage to third party property	Accidental damage to property	Third party property owners			Safe working briefings before activity responsibility lies with the individual who has been given authority to carry out the work. Site assessments and third-party property identification. Named person may need to carry out visual inspections before any work commences.
9. Violence and intimidation	Volunteers subjected to intimidation and violence	Volunteers, councillors			Safe working briefings before activity responsibility lies with the individual who has been authorised to carry out the work, Emergency numbers and procedure. Named contact person.

Risk	What could happen?	Who is at risk?	Risk Rating 1-5	Severity Rating 1-5	Action needed
10. Victimisation or harassment	Volunteers subjected to racial, sexual or gender related abuse.	Volunteers, councillors			Safe working briefings before activity responsibility lies with the individual who has been given authority to carry out the work. Reporting of any incidents named person and to Parish Clerk.
11. Safeguarding	Vulnerable volunteers subject to physical or psychological abuse	Volunteers, councillors			Safe working briefings before activity responsibility lies with the individual who has been given authority to carry out the work. Safeguarding statement. No under 16s to be involved other than when supervised by a sponsor organisation.
12. Activity specific risk	Enter text	Volunteers, councillors			Enter text
13. Activity specific risk	Enter text	Volunteers, councillors			Enter text – Responsibility of the individual who has been authorised to carry out the work.
14. Activity specific risk	Enter text	Volunteers, councillors			Enter text -Responsibility of the individual who has been authorised to carry out the work.

Please submit the completed form to the Parish Clerk at: [thornerparishcouncil@gmail.com](mailto:thornerparishcouncil@gmail.com)

**Key to risk assessment severity:**

**1 = Negligible:** The Risk is so small that the team can ignore it.

**2 = Low:** The Risk is insignificant and can be managed with routine procedures.

**3 = Medium:** The Risk is significant but manageable with additional controls or mitigations.

**4 = High:** The Risk is severe and requires immediate attention and action.

**5 = Maximum:** The Risk is intense and needs to be addressed.

# Volunteer Consent Form

<b>Name:</b>	
<b>Address:</b>	
<b>Postcode:</b>	<b>DOB:</b>
<b>Tel:</b>	<b>Mobile:</b>
<b>Email:</b>	
<b>Emergency Contact Name &amp; Phone Number:</b>	

**Consent**

By signing this form you consent to participate in any of the volunteer activities authorised in the Thorner Parish Council Volunteer Policy. You further agree to abide by the terms of the policy and follow any instructions and safety briefings provided by the activity leaders. You further agree to seek any medical advice before undertaking any activities you feel will be physically demanding for you.

Please tick this box to confirm you have read and understood these requirements.

**Your information**

Thorner Parish Council will store the information you have provided in order for you to carry out your role as a volunteer. All data will be stored securely in accordance with our data protection policy which can be view [HERE](#) on the Thorner Parish Council Website.

If you are happy for Thorner Parish Council to keep a record of your information and contact details, please tick the box to give consent.

From: **Lesley Coates** <>  
Date: Wed, 24 Jul 2024 at 16:50  
Subject: Ref Bench plaque for Lynn Andrea Coates  
To: Barry Riley [thornerparishcouncil@gmail.com](mailto:thornerparishcouncil@gmail.com)

Hi Barry,

I have now been back to Thorner and found the plaques you sent a photo of. (see below)

I have sent this to Falon nameplates your suggested maker with the example of the below plaque which was on the bench.

They have mocked the wording up as 2nd image below shows and informed me it is made out of bronze the same as the example I sent.

Please can you put this forward to the parish council meeting you informed me is on the 13th August with permission for it to be placed on the bench **at the ford facing the road not** the bench behind the wall.

I will await a decision before placing the order of the plaque.

## LOCAL NETWORK PLANNING RULES

By following the simple rules below there should be no need for additional telegraph poles or overhead wires

1. A house fed underground with copper wires will be fed underground with fibre
2. Fibre should be provided to copper drop wire pole
3. At changeover the copper wire to house should be recovered and new fibre provided using existing entry point into house
4. All pole to pole overhead wires should be routed underground to improve environment
5. All local network providers should have a 10 year plan to phase out overhead drop wires

The local network should be available to all internet providers without favour to BT or Voneus

Alan Dodds

Issued 31<sup>st</sup> July 2024

## History of The Local Network from telephone exchange to house

Can be underground only or mixture of underground and overhead.

Initially the Local Network was copper wires and was used for Telephone Calls

The first internet was delivered by sharing the copper wires from Telephone Exchange to House for both internet and telephone calls. Known as Standard Broadband or ADSL (Asymmetric Digital Subscriber Line)

To increase internet speeds fibre cables were provided from the cabinet to Telephone Exchange still using copper cables from cabinet to House. Known as Superfast Broadband or FTTC (Fibre To The Cabinet)

To achieve ultrafast speeds the copper network will be fully replaced by fibre cables. The plan is to complete this work by 2027. Known as FTTP (Fibre To The Premises)

Alan Dodds

Issued: 18<sup>th</sup> July 2024

**Join the switch to  
better broadband**

Notice under The Town and Country Planning (General Permitted Development) Order 1995  
Part 24 as amended by The Town and Country Planning (General Permitted Development)  
(Amendment) (England) Order 2013, Statutory Instruments no 1101 for fixed line broadband  
services, and The Electronic Communications Code (conditions and Restrictions)  
(Amendment) Regulations 2013.

**OBJECTION TO VONEUS PLAN TO PROVIDE OVERHEAD FIBRE NETWORK TO CHURCH HILL**

Your Ref: VON/FLN/WYK-LDS/A1/AC2/FDN4-VN06

This document covers only seven properties on Church Hill as detailed in Figures 1 to 5.

The purpose of this document is to not only object to the fibre network proposed by Voneus but to offer constructive alternative options.

At present all properties are fed from two Distribution Points (DP's). Five have overhead feeds. (Figure1)

The proposed Voneus fibre network does not use existing underground ducts or DP's (Figure 2)

VONEUS PROPOSED OVERHEAD FIBRE (FIGURE 2)

This plan increases the overhead wires substantially. To revert back from underground to overhead is a backward step. The wires from one new DP increase from two to six.

New poles are proposed.

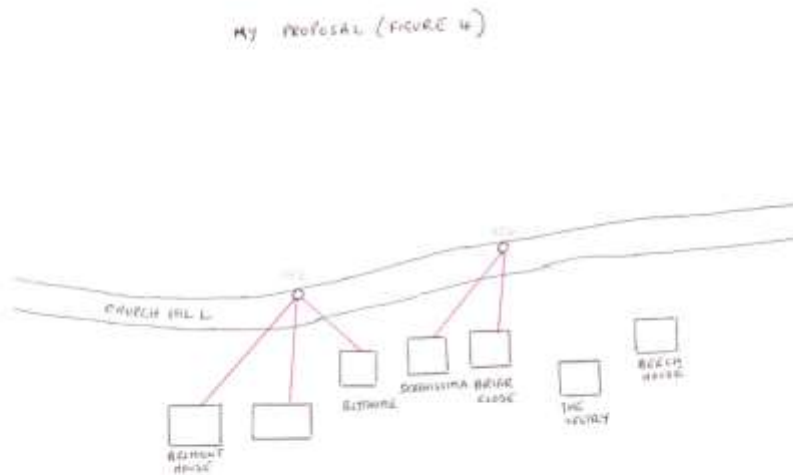

It is possible that both the copper and fibre networks both existing together (Figure3)

SITUATION IF COPPER AND FIBRE BOTH EXIST (FIGURE 3)

My proposal (figure 4)

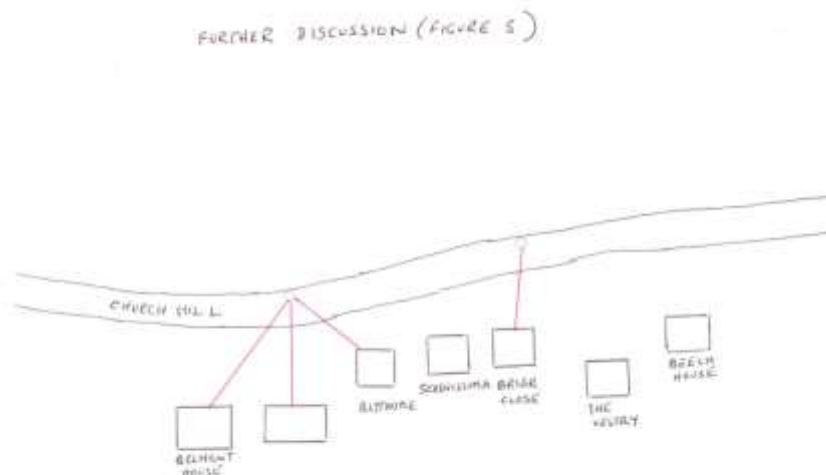

Provide fibre to existing DP's 143 and 236 using existing ducts  
As a house changes to fibre replace copper feed  
No need to provide anymore telegraph poles just use existing  
Keeps overhead cables to existing minimum

Further Discussion (Figure 5)

I would like to feed Serenissima underground and this is easily achievable by a small amount of duct down the path from The Vestry/Beech House.

Discussions with Briar Close could also result in an underground feed.

Regards

Alan Dodds

Letter to Thorner Parish Council 19<sup>th</sup> July 2024

## 1. Voneus

This is my understanding and may not be one hundred percent correct

Voneus are an internet provider but they are also providing fibre cables in the local network.

I have attached a document that explains the history of the local network and what is planned in the next couple of years.

The local network was provided by BT but is now owned and managed by a BT owned company called Openreach. Openreach should allow the same access to their local network to all internet providers without favour to BT.

Voneus has access to Openreach's ducts and telegraph poles to provide their network.

## 2. My concerns

**Voneus are providing additional telegraph poles and overhead wires.**

There is no planning consent for this work and it is up to an individual to question their plans.

Voneus provide a notice where they plan to do this work

If Voneus mirrored the copper network then no additional poles or overhead wires would be needed. The local copper feed into the house being replaced by fibre at changeover.

In my opinion poles and overhead wires should be replaced by underground feeds where possible. Adding to the network should always be underground.

## 3. Serenissima Church Hill Thorner

A noticed appeared outside house dated 18<sup>th</sup> June 2024

I asked Voneus for their plans. These were provided.

I objected to those plans and have been in discussion with them on their plans to provide an additional pole and increase in overhead wires from two to six.

I have included my objection letter that may be of interest.

Regards

Alan Dodds

The Thorner Over 60's Association committee are considering offering Mulled Wine and Minced Pies at the Bungalow following the lighting of the Christmas Tree on Millennium Green on Sunday 1st December 2024.

We are at an early stage in our planning and thought it wise to check that you would be happy with such an event and that it doesn't clash with anything you are thinking of. We would need to look into getting a licence and to consider possible entertainment. Weather permitting would you be willing to allow us to spill over into the Boule court?

Initially we had considered holding the event at Victory Hall as part of their 100 year celebration but unfortunately it clashes with another event.

We look forward to hearing from you.

Best wishes

Bev Cussans (Chair)

On behalf of the Thorner Over 60,s Association Committee
